January 8, 2021

To: All Valued Braxton Harris Customers

Due to continued increases in raw materials, Braxton Harris Company will be implementing the price increases effective February 15, 2021. All orders placed on or before February 15, 2021, will be honored at current pricing. Current commodity prices are increasing. The weakening US Dollar provides other challenges with import products. We continue to monitor costs and additional increase during the course of 2021 cannot be ruled out. Although the amounts may vary by item, the estimated price increase by product category will be as follows 4-5%. We always strive to mitigate these cost increases within our supply chain.

As always, we thank you for your continued business.

Thank you,

Braxton Harris  
President/CEO
