February 28, 2022

To: All Valued Braxton Harris Customers

Due to continued increases in raw materials, Braxton Harris Company will be implementing list price increases effective April 1, 2022. All orders placed on or before April 1, 2022, will be honored at current list pricing. New special net pricing has been implemented and communicated. Current commodity prices are increasing. The weakening US Dollar provides other challenges with import products. We continue to monitor costs and an additional increase during the course of 2022 cannot be ruled out. Although the amounts may vary by item, the estimated price increase by product category will be 5%. We always strive to mitigate these cost increases within our supply chain.

As always, we thank you for your continued business.

Thank you,

Braxton Harris  
President/CEO
